## THE MIAMI

# DIFFERENCE

Miami Vibes captures the essence of Miami's vibrant culture with a retro twist. Our brand is all about energy, excitement, and fun.

- Energetic Vibe: Our packaging and marketing materials radiate energy and excitement, motivating you to live your life to the fullest.
- Retro Aesthetic: Bold colors, funky patterns, and nostalgic elements make our brand stand out and resonate with those who appreciate a touch of retro in their modern lives.

- Vibrant Design: Our packaging is a burst of neon colors, retro graphics, and bold typography. Each product not only supports your nutritional needs but also adds a splash of fun to your day.
- Flavor Innovation: Experience the taste of Miami with our unique tropical flavors. From zesty citrus to exotic mango, our products bring the sunshine of Miami straight to you.
- Affordability: We believe that high-quality nutrition should be accessible to everyone. Miami Vibes offers premium products at prices that won't break the bank, ensuring you get the best value.

## FINEST INGREDIENTS

We source only the finest ingredients from trusted suppliers to create products that provide optimal nutrition and support. As a leading EMS fitness equipment manufacturer, we have a deep understanding of the needs and challenges faced by active individuals. This expertise informs every product we create..

## RIGOROUS TESTING

Every batch is thoroughly tested to ensure safety, efficacy, and consistency. We adhere to strict quality control standards and regulatory guidelines.

## TRANSPARENCY

We believe in being transparent with our customers. Each product comes with clear labeling, detailing all ingredients, nutritional information, and recommended usage.

# HYDROWHEY

## POST-WORKOUT PROTEIN FORMULA

Miami Vibes Hydrowhey is a flavorful protein powder containing 88% protein with sweeteners. Each serving delivers 30 grams of lean protein, supporting muscle growth, maintenance, and normal bone health. Ideal for those looking to fuel their fitness goals with a high-quality protein source.

Serving Size: 1 scoop (34 g)
